Cookie Policy

Effective date: 2026-02-21

1. What are cookies?

Cookies and similar technologies store or read information on your device to provide core functionality and, where consented, analytics.

2. Categories we use

Strictly necessary cookies

Required for authentication, session handling, security, and platform stability.

Optional analytics cookies

Used to improve the product. We currently use PostHog for product analytics. Where required, legal basis is your consent.

3. Consent management

You can manage or withdraw consent at any time through cookie/privacy settings.

4. Retention

Retention depends on cookie type and purpose (session vs persistent).
