Contact: support@specterlaw.ai

2. System description

SpecterAI is an AI-assisted platform for legal workflows. It generates suggestions, draft text, and analytical support.

3. Transparency notice

Users interact with AI-generated output. Results may be incomplete or inaccurate and must be reviewed before legally material use.

4. No substitute for legal advice

The service provides assistance and informational support, not individualized legal advice.

5. Human oversight

Final legal and professional decisions remain with the user and/or qualified professionals.

6. Data and safeguards

We apply technical and organizational safeguards and align operations with applicable EU legal requirements.
